*****Due to a new Building Security Policy, you will need to either be pre-registered or have your EMS ID with you to enter*****

Free parking is available in the Hartford Hospital employee garage on Hudson Street next to the ERC/ERD building. See next page for details.

Free parking is available for this event in the Hartford Hospital Employee Garage located at 510 Hudson Street next to the ERC/ERD building. Use the intercom button at the access control point to buzz the guard and tell him you are here for the EMS Continuing Education Event so they will raise the gate for you.

Exit and enter the garage at street level. Take a left out of the garage and follow the sidewalk to the next building (ERC - circular driveway in front). Obtain a visitor badge from the guard. Due to a new Building Security Policy, you will need to either be pre-registered or have your EMS ID with you.

Take the stairs or elevator to the second floor and room 221.
