

Saint Francis Hospital and Medical Center Trauma Care Symposium

Saint Francis Hospital & Medical Center—A Trinity Health Of New England Hospital—is proud to present its 19th Annual Trauma Symposium. This year’s program, titled “Getting to Zero: Approaching Zero Preventable Deaths”, offers a variety of topics related to violence and injury, and provides a review of trauma basics in addition to the latest advancements in the treatment of the our patients and the prevention of injury.

Goals and Objectives:

1. Discuss trauma epidemiology, recovery, and innovation
2. Learn about firearm related violence, injury and prevention in the United States
3. Discuss opioids, trauma, and the state of affairs in Connecticut
4. Learn about the military approach toward caring for the wounded warrior, and innovative steps to adopting military surgical practice stateside
5. Evolving our understanding about the current military approach transitioning from the Forward Surgical Teams to the Forward Resuscitative Surgical Team

Saint Francis Hospital & Medical Center is accredited by the Connecticut State Medical Society to sponsor continuing medical education for physicians. AN APPLICATION FOR CONTINUING EDUCATION CREDIT HAS BEEN SUBMITTED.

Saint Francis Hospital & Medical Center is a member of Trinity Health Of New England. At Saint Francis, we are committed to exceeding the expectations of our patients and families by providing world-class service in a progressive, people-centered, compassionate health care environment. We are licensed for 617 beds and 65 bassinets, and are the largest Catholic hospital in New England. We are affiliated with the University of Connecticut and the Quinnipiac University Frank Netter Schools of Medicine. Saint Francis has achieved a 4-star CMS rating, a Leapfrog Safety Grade of "A," and is the only IBM Watson™ Top 100 Hospital in Connecticut. We are **the only Level 1 Trauma Center to achieve this level of performance**. The surgical, trauma, and critical care services programs at Saint Francis are grateful for the opportunity to help educate our peers and partners.

Directions
